*Miscellaneous covers living expenses such as clothing, laundry, and entertainment. Costs will vary depending on lifestyle and living situation. Average expenses are \$600 per quarter / \$1,800 per academic year.

Notes:

- Amounts are rounded up to the nearest dollar.
- Tuition is based on 15 credits. Exact amounts may vary, depending on the number of credits taken. Refer to the "Tuition Charges Per Credit" document below for more information.
- Fees cover costs associated with campus services, facilities, orientation, and SEVP reporting. Some Career Training programs charge additional fees not included above, ranging from approximately \$500 - \$7,000. Refer to the program website or contact the program directly for specific fee amounts.
- Housing estimates will vary depending on a student's individual living choices.
- Medical insurance is mandatory and charged automatically upon registration each quarter.
